

V16 IPC Outdoor Side Camera

Hero-C62S0V16-2MR

Full HD 2-megapixel camera, outdoor waterproof design, suitable for vehicle side view monitoring

Key Features

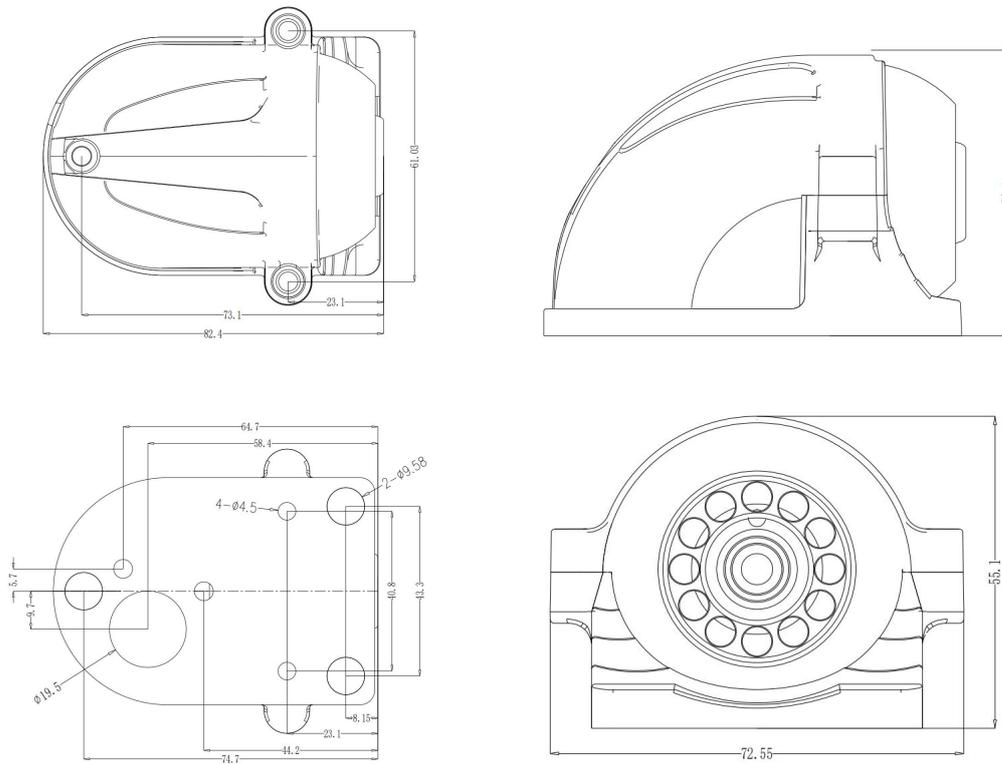

- 2-megapixel 1/3" HD CMOS sensor
- The new digital exposure function delivers superior image quality in environments with varying lighting and high contrast.
- High temperature resistance, shock resistant

Specifications

| Model | Hero-C62S0V16-2MR |
|------------------------|------------------------------------|
| General | |
| Sensor | 1/3" CMOS Sensor |
| Resolution | 1920(H)*1080(V) @25fps |
| Lens angle | 3.6mm |
| Field of view | Horizontal 85° |
| Video Compression | H.264/H.265 |
| ONVIF | Support |
| Synchronization System | Internal synchronization |
| Minimum Illumination | 0.08Lux@(F1.2) |
| Electronic shutter | AUTO |
| Exposure mode | Global Anti-exposure |
| OSD Menu | Enable 3 lines of OSD |
| Operating voltage | DC12V |
| IR LED | 11 LEDs / 0-5 meters |
| Operating temperature | -20°C~+70°C |
| Storage temperature | -30°C~+80°C |
| Connector | M12 aviation connector 6pin female |
| Current | 12V, 80mA. 150mA when IR LED is on |
| Protection Level | IP68 |
| Net weight | 258g |
