

LED Speaker

## HW-MS04

Two-way audio Push-To-Talk for MDVR

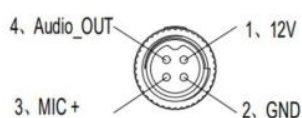

### Feature

- Suitable for various types of trucks, buses and other vehicles
- Easy to install
- Wire with M12 aviation head
- Stable and reliable, able to withstand high temperature
- Stretchable and long service life

### Specification

Model	HW-MS04
Color	Black
Wire	Black spring wire (PU material)
Working Temperature	-20℃ ~ +60℃
Working Voltage	2V ~ 10V
Sensitivity	-38dB±3dB @f=1KHz,0dB=1V/ubar
Resistance	≤2.2KΩ
Direction	Omnidirectional
Dimension	9.7*6.7mm
Current	≤500uA
SNR	≥58dB
Internal magnetism	Φ40×4.5 8Ω2W speaker
Resistance	8±20% at 1 KHZ
Sensitivity	102±2dB

### Dimension and Interface

M12 Aviation interface
